

SPORT PREMIUM 2017-2018

What is School Sport Premium?

The government is providing additional funding for academic years to improve provision of physical education and sport in primary schools. The funding is provided jointly by the Departments of Education, Health and Culture, Media and Sport. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. At Greenleys Junior School total funding for 2017/18 totals £18,110. Schools have the responsibility to choose how increase and improve physical education available to pupils. Development and training of staff to provide sustainable improvements is also a key factor.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer. This means that schools should use the premium to: develop or add to the PE and sport activities that the school already offers and make improvements now that will benefit pupils joining the school in future years.

Sports Premium Use at Greenleys Junior School

We believe P.E. and sport are an essential part of every child's development. We endeavour to provide high quality physical education and sporting opportunities for every child, equipping them to lead healthy, active lifestyles as well as providing the children with the necessary skills of good sportsmanship, to strive for excellence and not be discouraged if they do not win.

We aim to offer a balanced program and a variety of activities to provide all pupils with the opportunity to develop a broad spectrum of skills whilst enabling them to develop acceptable fitness levels. We want to raise the aspirations of every student as well as the determination and enthusiasm to pursue a healthy and active lifestyle in future years.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Wide range of clubs available to all (on average 80% of children attend at least one club.) • Member of MK School Sports Partnership which gives the children access to taking part in a variety of intra-schools festivals and competitions. • Teams entered in the MK annual cross country championships and MK District Sports. • Swimming provision for 2 year groups (not funded by sports premium.) • Annual health and fitness awareness week. 	<ul style="list-style-type: none"> • Continue to provide swimming provision for 2 year groups. • Improve swimming ability of those children not hitting swimming requirements. • Raise involvement in extra-curricular sport by providing access to sports activities at lunchtimes. • Increase activity levels at break and lunchtimes. • Increase engagement of less active children in regular exercise.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	No data
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	No data
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	No data
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Not last year
