Microscripts & Mantras

1. I can see you are not ready at this moment, I will be back to speak to you in a minute.
2. These are your two choices...
3. You need to understand that every choice has a consequence. If you choose to do the work, that would be fantastic and this will happen... If you choose not to do the work, this will happen... I'll leave you to make your decision.

Restorative Questions

1. **Finding out:**
What happened? What were you thinking at the time? What have you thought since? What did you think when you realised what happened?
2. **Effects:**
Who has been affected by what happened? How have they been affected? How do you feel about what happened? What has been difficult about this for you?
3. **Responsibility:**
What are you thinking now about what has happened? What needs to happen next? What would help to fix things? What should we do to put things right?
