

## SPORTS PREMIUM STATEMENT 2019-2020

### **What is School Sports Premium?**

The government provides additional funding to improve provision of physical education and sport in primary schools. The funding is provided jointly by the Departments of Education, Health and Culture, Media and Sport. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. At Greenleys Junior School total funding for 2019/20 is £18,320. Schools have the responsibility to choose how increase and improve physical education available to pupils. Development and training of staff to provide sustainable improvements is also a key factor.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer. This means that schools should use the premium to: develop or add to the PE and sport activities that the school already offers and make improvements now that will benefit pupils joining the school in future years.

### **Sports Premium Use at Greenleys Junior School**

We believe P.E. and sport are an essential part of every child's development. We endeavour to provide high quality physical education and sporting opportunities for every child, equipping them to lead healthy, active lifestyles as well as providing the children with the necessary skills of good sportsmanship, to strive for excellence and not be discouraged if they do not win.

We aim to offer a balanced program and a variety of activities to provide all pupils with the opportunity to develop a broad spectrum of skills whilst enabling them to develop acceptable fitness levels. We want to raise the aspirations of every student as well as the determination and enthusiasm to pursue a healthy and active lifestyle in future years.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>• Wide range of clubs available to all (on average 80% of children attend at least one club.)</li> <li>• Member of MK School Sports Partnership which gives the children access to taking part in a variety of intra-schools festivals and competitions.</li> <li>• Teams entered in the MK annual cross country championships and MK District Sports.</li> <li>• Annual health and fitness awareness week.</li> </ul>	<ul style="list-style-type: none"> <li>• Raise involvement in extra-curricular sport by providing access to sports activities at lunchtimes.</li> <li>• Increase activity levels at break and lunchtimes.</li> <li>• Increase engagement of less active children in regular exercise.</li> </ul>

Meeting national curriculum requirements for swimming and water safety	As a percentage of the cohort:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	35%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	35%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	38.8%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Not in 2018-19

Sports Premium Funding – This document shows the 5 key indicators from DfE, what the development needs are as a priority for our school and our pupils now and why? This document reflect on our previous spending, identifies current needs and priorities for the future.

<b>Academic Year:</b> 2019/20	<b>Fund allocated 2019-20</b> : £18,320.00 <b>Fund carried forward</b> : £14,846 <b>Total available</b> : £33,166	<b>Date Updated:</b> September 2019

<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation available (£33,166 available)
				92% of total funds
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Outdoor Multi Gym	Offering children extra minutes of exercise at break and lunch time means children will have access to extra exercise, children can set themselves targets each term to make them more independent and aware of their bodies and fitness levels. A time table will be created to allow fair use across the school. Using the gym as part of PE lessons for warm ups to make sure it is being used to its full potential. An after school club to be run for all year groups using the Gym. A set of Stop watches for the gym area to allow children too independently/pairs work on the equipment.	£50 (resources)		
Swimming top ups – Yr6	Offer all year 6 children top up swimming sessions, this is to reach 25m in a range of strokes and understand	£500		

Golden Mile	<p>the safety in water. This is the government targets aiming for 25m.</p> <p>All pupils to run, jog or walk for 10 minutes around a set track, trying to improve the number of laps they achieve. We are going to have goals and targets of a place they can visit each term e.g. walk to Lapland by Christmas. We need to set resources to manage the laps better. The children need an incentive to complete 'x' number of miles.</p>	£0		
MUGA Area	<p>An all-weather track to be purchased to allow children to participate in the Golden mile throughout the winter months. This also means during the wetter weathers children still have an outdoor area they can use for PE lessons and break and lunchtime sports, this will hopefully reduce behaviour issues on the playground.</p>	£30,000
