### Microscripts & Mantras

1. I can see you are not ready at this moment, I will be back to speak to you in a minute.
2. These are your two choices...
3. You need to understand that every choice has a consequence. If you choose to do the work, that would be fantastic and this will happen... If you choose not to do the work, this will happen... I'll leave you to make your decision.

### Restorative Questions

1. What happened?
2. What were you thinking?
3. How did this make people feel?
4. Who else has been affected?
5. What should we do to put things right?
6. How can we do things differently in the future?
