

Mission:

Our curriculum is **ambitious**. It is designed to be **meaningful** and **relevant** to our children through projects which will **engage all learners**, including those who are **disadvantaged** or who have **special educational needs or disabilities**, to want to learn more. To achieve this, our curriculum is **integrated**, not just through the subjects, but through the whole **learning experience** so that it encourages a sense of **human flourishing** and to be the **best human beings we can be**. We want our children to continue to feel and **develop** a **passion for learning** beyond the school setting and into the future. This is why our mission statement is:

Learning for Life (Mission)

Curriculum Aims:

At Greenleys Junior School we recognise the challenges our children face. It is our aim that through our **broad and balanced curriculum**, children will recognise the importance of human **creativity** and **achievement**. As a result, they will have the **confidence** and the **skills** to become:

GIVERS (Curriculum Aims)

GIVERS stands for:

- **G**lobal citizens
- **I**ndependent, confident learners
- **V**ocabulary immersed
- **E**xperience rich
- **R**espectful and well-equipped for being part of their community
- **S**econdary ready

The last letter 'S' is a **constant mantra** at Greenleys Junior School as we **strive** to ensure that all our children are ready to embark on their individual adventures at secondary school.

More information regarding GIVERS can be found in our [GJS GIVERS](#) document.
