

Greenleys Junior School

Curriculum Overview

LEARNING for LIFE

Writing, Grammar, Punctuation, Spelling and Handwriting:

[Our GJS Writing Protocols](#) set out our approach to teaching writing, grammar, punctuation and spelling in more detail.

Writing is undertaken within English lessons. We use The Write Stuff as an approach to teaching writing. Our [GJS Transcription and Composition Progression Map](#) and [GJS Grammar Punctuation and Spelling Curriculum Progression Map](#) clearly set out what to teach and when.

Handwriting follows the Penpals for Handwriting programme of study.
